### DETAILED ACTION

1. The following is a Notice of Allowance upon examination of the above-identified application on the merits. Claims 22-41 are pending in this application.

### EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

#### **IN THE CLAIMS:**

Claims 27, 29, 31 and 32; deleted "claim 21" and inserted "--claim 22--".

### REASONS FOR ALLOWANCE

3. Claims 22-42 are allowed.
4. The following is an examiner's statement of reasons for allowance:

As per claim 22, the prior art of record taken alone or in combination fails to teach a first rotary motion shaft attached to a second end of said at least first

wire, such that rotation of said shaft generates a twist in said at least first wire, thereby changing its effective length and adjusting the position of said moveable element.

As per claim 36, the prior art of record taken alone or in combination fails to teach applying a controlled twist to said first rotary motion shaft at said second end of said at least first wire, such that the position of said moveable element is adjusted in accordance with said controller.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

*Priority*

5. Applicant's claim for the benefit of a prior-filed application under 35 U.S.C. 119(e) or under 35 U.S.C. 120, 121, or 365(c) is acknowledged. Applicant has complied with the conditions for receiving the benefit of an earlier filing date under 35 U.S.C. 365(c).

*Conclusion*

6. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
